Phab Awards 2018

I am writing to invite you to make nominations for the Phab Awards which will be presented later this year at an afternoon reception at the House of Lords on Tuesday, 16th October.

This is a wonderful opportunity to recognise and thank our wonderful leaders and volunteers within the Phab organisation who give so much of their time and devotion to the Charity.

There are two awards for which you may make nominations.

The Paul Hope Award was created in 1999 and recognises the late Paul Hope's immense contribution to Phab over many years as Director of Club Services and Training. The award, together with a bursary of £1000, will be presented in recognition of outstanding work or achievement in fulfilling the Phab aim.

The Louis Goldberg Award is presented in memory of the late Louis Goldberg, for many years a devoted supporter of Phab. This award was created especially to recognise the very same qualities in a young person up to the age of 25 and carries a bursary of £250. Although there can only be one award winner, we should like to recognise the contribution of as many young people as possible so please consider nominating in this category.

If you or your club members wish to make a nomination, would you please fully complete the enclosed forms which are also available to download from the Members Section of the Phab website. The closing date is **31st July** but you may of course return the forms at any time before this date. **Please note that only one nomination from a club may be made for each of these awards.**

I look forward to receiving your nominations.
